

I Choose to Worship

By Rend Collective

I choose to worship I choose to bow
Though there's pain in the offering I lay it down
Here in the conflict, when doubt surrounds,
Though my soul is unraveling I choose You now.

CHORUS: I will praise You through the fire, through the storm and through
the flood There is nothing that can ever steal my song
In the valley, You are worthy, you are good when life is not, You will always
and forever be my song.

I build my altar right here and now
In the midst of the darkest night it won't burn out
For You are perfect, no matter what
In the joy or the suffering I'll sing it loud

Chorus

When the enemy says I'm done, I'll lift my praises
When my world comes crashing down, I'll lift my praises high
'Till the darkness turns to dawn, I'll lift my praises
I choose to worship, I choose You now

Repeat Bridge

I choose to worship, I choose You now
I choose to worship I choose You now
I choose You now
